Re: 5838 Lake View Rd

Hello,

Enclosed you will find information and application for a driveway permit at 5838 Lake View Rd in the township of Wyoming.

The existing driveway has been (cleaned up) to meet the existing driveway ordinance but I would like to finish the lower part of the driveway to connect with Lake View Rd. This would involve placing an 18 inch culvert in the ditch line where the driveway would meet Lake View Rd and several loads of gravel to connect to the upper driveway.

I have already met with Mike Degen on site to discuss the application and have forwarded this information for review. Adjoining landowner information on the back of the application.

Any questions, you can contact me at the above number.

Thank you.
